## **11:15 Meeting Begins**

### **Elections**

- I. Craig Chevalier agreed to chair the Community Awareness committee, as Craig Merriweather has stepped down as chair. This leaves an At-Large position available. One potential idea discussed for this committee in the future was to continue a recent news story about Kevin Adler, who connects families of the homeless using social media.
- II. Mary Sliney agreed to be temporary chair. The committee spoke about how we could more evenly distribute the responsibilities of the chair position so that it would be more doable in the future. The possibility of having a Co-Chair or a Vice Chair would help take the burden off one person.

### **Policy and Procedures**

- I. Policies were approved after having been sent to the general assembly with no comment back and having been reviewed by the Data Collection committee.

### **Veterans Taskforce**

- I. Nicole brought up the veterans taskforce discussed at last month's general assembly meeting.
- II. The committee gave general approval to make it into a standing committee, with their chair a part of Leadership.
- III. Mary suggested we give two weeks notice concerning the bylaw revision, so the rest of the continuum doesn't feel that we've usurped power.
