**Subject:** CoC Program application notice

Hello,

HUD has recently released the FY2013 –FY2014 Continuum of Care Program Competition, also known as the NOFA. There are **no** additional funds available for new or bonus projects this year, but HUD still requires us make the application available and open to the public. If anyone would like to apply for CoC funding for new projects, please send me an email ([vista@mcoconh.org](mailto:vista@mcoconh.org)) by 5pm on December 20<sup>th</sup>. As with renewals, a full application for new projects will be due by January 3<sup>rd</sup> in e-snaps.

I've provided a link below to this year's NOFA and related documents on our MCoC website, a link to the HUD Portal and attached the CoC Program Competition itself. If you have additional questions please feel free to contact me or Mark Stokes ([mstokes@fitnh.org](mailto:mstokes@fitnh.org) or 641-9441 x223).
