## **Poster Campaign**

- Kyle and Erik updated Craig on recent Community Awareness business, primarily the poster campaign.
- Kyle presented a draft of a poster for our campaign.
  - The design looked good but we'll need to run this by Monica before doing anything further
- Craig said that when final copies are ready, he can print them for us via his printing company
- He also volunteered his new Fork and Spoon Diner, right next to 1269 Café, as a location in which we may display these posters.

Being that were the only attendees and we were busy, we adjourned the meeting there.

**The next Community Awareness meeting will be Wednesday 1/8/14 at 9:00a.m. YWCA 72 Concord St.**
